Clinton Road is off Cranmore Road leading off Marshall Lake Road and Cranmore Boulevard. Close by are Widney Infant and Cranmore Infant School. A walk of approximately a mile from here will bring you to Alderbrook Senior School, in whose catchment we are advised the property falls, subject to confirmation from the Education Authority, and also nearby, in Whitefields Road, is St Augustines Roman Catholic Junior and Infant School, and St Peters Roman Catholic Senior School and Sixth Form College.

Close to the junction with Marshall Lake Road and Longmore Road, are local shops, and further local shopping will be found on the corner of Cranmore Road at its junction with Marshall Lake Road. At the opposite side of this junction is access into the Retail Park, and of course the main Stratford Road provides a comprehensive array of shops ranging from small speciality and convenience stores to a choice of major supermarkets.

Regular bus services operate along Marshall Lake Road and Stratford Road giving access to the centre of Solihull and also into the City of Birmingham and its outlying suburbs. Travelling by car along the A34 Stratford Road, a journey of less than three miles will bring you to the junction of the M42 motorway. On this junction is sited the expanding Blythe Valley Business Park, which complements the existing business premises which are sited on Cranmore Boulevard and encompass the Cranmore, Widney, Monkspath and Solihull Business Parks.

An excellent location therefore for this 1930's town house which sits back from the road behind a front gravel driveway that extends to a UPVC double glazed door which opens to the
