Berry Maud Lane is located on this popular modern development that runs between the High Street and Aqueduct Road. Originally constructed by Persimmon Homes, this particular property occupies an enviable position in a small cul-de-sac off shoot having a wide road aspect feeling owing to a green area to the left hand side which number 91 overlooks.

There are local bus services which operate along High Street, Solihull Lodge, providing access to the A34 Stratford Road in Shirley, where there are numerous shops and business premises including the new Parkgate and Asda, and travelling south along the A34 one will pass Cranmore/Widney/Monkspath Business Parks and on to the M42 motorway, which forms the hub of the national motorway network, and provides access at its junction with the A45 Coventry Road to the National Exhibition Centre and Birmingham International Airport and Railway Station.

Nearby Shirley Railway Station offers commuter services to Birmingham City Centre and beyond. Schools in the area include Peterbrook Primary School, Mill Lodge Primary School, and we are advised that the property currently falls into the Light Hall Senior School catchment, subject to confirmation from the Education Department.

An excellent location therefore for this modern end town house which occupies an enviable position with a private hedgerow aspect to the fore and sits back from the road behind a double width front driveway that leads to a front door with canopy porch over, that opens directly to the
