Stanway Road is a road of similarly styled semi detached houses most conveniently located for the amenities of the Stratford Road in the town centre of Shirley.

The A34 Stratford Road offers an excellent array of shopping facilities ranging from small speciality and convenience stores to a choice of major supermarkets and Superstores on the Retail Park. There are a wide choice of restaurants and hosteries along the Stratford Road and access through to Shirley Park and beyond here, down Haslucks Green Road, to Shirley Railway Station which offers commuter services to Stratford upon Avon and Birmingham.

There is a thriving business community in the town centre and this extends south down the Stratford Road to the Cranmore, Widney, Monkspath and Solihull Business Parks, and beyond here to the junction of the M42 motorway where is sited the Blythe Valley Business Park. A short journey down the M42 will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

Local junior and infant schooling is catered for at Sharmans Cross Junior School and Streetsbrook Infant School, and there is, of course, Our Lady of the Wayside Roman Catholic Junior and Infant School on the Stratford Road, making this an ideal family location. We are advised that senior schooling is currently within the Tudor Grange School catchment although all education facilities are subject to confirmation from the Education Department.

An excellent location therefore for this extended traditional semi detached property which sits back from the road behind a front paved driveway with foregarden. Double doors open to the
