Rectory Road leads from Church Hill Road, a short distance from the High Street in Solihull town centre. Alternatively one could take a very pleasant walk along Ladbroke Road through to Malvern Park out to Park Road and subsequently onto New Road which will bring you to the High Street.

The town centre offers excellent shopping facilities and also has its own main line London to Birmingham railway station, opposite which is Tudor Grange Park and leisure centre and Solihull College.

Malvern Park is a very pleasant area of public open space with children's play area, tennis court, café and duck pond.

This four bedroomed semidetached property holds a great position just a few minutes walk from Solihull town centre and within Tudor Grange catchment area.

The property would benefit from a scheme of works but this has been reflected accordingly in the asking price.
