McCarthy & Stone are the country's leading builder of such accommodation and their experience is shown with this development which gives an opportunity for convivial conversation and meeting of people in the communal lounge, yet privacy within one's own home. Security is ensured by an entry phone system at ground floor level. The apartment itself has strategically positioned emergency pull cords and telephone, which will automatically seek assistance should it be required.

There is a manager within the development and in addition to the communal lounge and kitchen, there is a guests bedroom which is available by prior booking. The grounds are neatly laid out with seating areas and car parking, and across the road from the development is a parade of local shops serving everyday needs. Local bus services pass by which will take you into Shirley, central Solihull or the City of Birmingham and its outlying suburbs. A short distance will bring you to the array of facilities that Shirley has to offer.
